Dear Hiring Manager,

My name is Nicholas Lambourne and I am a third year undergraduate student at the University of Queensland studying software engineering.

I believe that my technical and educational background . During the first semester of 2018 I participated in an exhange program at the University of Connecticut (UConn). I chose Connecticut first and foremost because they offered a graduate class in Quantum Computing, taught by Assistant Professor Walter Krawec and had confirmed that I would be able to particpate in the course in an audit capacity
My experience in both academic research and industry environments
[PARAGRAPH 3]

Kind regards,
Nicholas Lambourne
